Participants: Class II

Conducted by : Kaveri House

“ Ability is what you are capable of doing. Motivation determines what you do. Attitude determines how well you do it.”

Lou Holtz

Sports are the epitome of hard work and dedication. To get to the pinnacle of their sport, even the most naturally gifted athletes have to give it their all. Yes, we watch sports for the excitement, but even more so for the drama. There's nothing more exciting than seeing a team come back to win. **Sports are about those incredible moments where sheer human will and desire overcomes the odds. These are the moments we remember.**

With this aim in mind Kaveri house organized an Inter House Competition, 'Relay Race' to encourage students to develop their physical strength, balance, sensory sequencing, teamwork and coordination.

The preliminary round saw all the students participate in a fun filled race where they had to pass the baton to the other participant till they reach the finish line. The students from each house who took the shortest time to finish the race moved to the semi-final round and this was held a week prior to the final round. The semi finalists were trained by the P.E department for a week.

The final round took place amidst cheering by students of all sections of class II. The Wing Incharge graced the occasion with her presence.

All the finalists participated with great enthusiasm and gusto. The audience were not left behind they waited with bated breath for their respective houses and friends to reach the finish line first. The participants didn't disappoint either and did a fabulous job with great fervour and vigour. The first three positions were announced as winners. It was a time spent well.
