Class : X

***“You have to fight to reach your dream. You have to sacrifice and work hard for it.”***

***– Lionel Messi***

Inter House Competition was conducted by Kaveri House for the students of class X on 22.08.2019 in the school premises.

Students of all the four houses participated and each house had to compete against each other. This brought out the competitive spirit in them.

The match was played with immense zeal and fervor by the young and dynamic Dipsites. There was a lot of spectator cheering for their house since it was exciting to watch friends play and compete against each other. The atmosphere was electric with the cheers of the students and the enthusiasm of the participants.

The IHC was exhilarating and everybody thoroughly enjoyed themselves. It represented what the students have learnt at DPS, Secunderabad which is participation is more important than winning or losing and the spirit of true sportsmanship.

The match ended with Godavari House clinching the first position, Kaveri House at the second position and Narmada House bagged the third position.

Congratulations to all the four houses for the brilliant game with good team spirit!
