“At a young age winning is not the most important thing... the important thing is to develop creative and skilled players with good confidence.”

-Arsene Wenger

The enhancement of physical and mental development of children is certainly the most important contribution of sports for children. By playing sports children develop physical skills, exercise, make new friends, have fun, learn to be a team member, learn about play fair and improve self-esteem.

Delhi Public School, Secunderabad, always integrates fun filled activities along with studies to enhance the holistic growth of students. In this regard, an inter house **Hurdle Race** was organised by **Narmada House** for all students of grade III. The preliminary round was held a week prior, and the finalist were selected on the basis of the hurdles cleared in the shortest time. The final round was held on **25th July 2019** in Assembly area. The efforts put in by the P.E Department is highly appreciated as the difficulty level of the race was age appropriate and child friendly. The students selected for the final round participated with great zeal and enthusiasm.

The result was announced by our respected principal ma'am.

As the audience cheered their participants with great fervour and vigour, our dear Principal ma'am rewarded them, for being the best audience and let them play the hurdle race and in the kindergarten, section vice. It was a great pleasure to be a part of this Hurdle Race and to witness these young athletes participate with such enthusiasm.
